Program description (general):

The world's most famous crime-solving game CLUE comes to television for the first time featuring all of the iconic characters, weapons, and locations from the classic family game. The new live-action, five-part miniseries event follows six young sleuths who stumble upon an adventure they never imagined after witnessing a terrible crime. Along the way, the six very different kids discover they have a lot more in common than they thought as they uncover hidden treasures and decipher cryptic knowledge to reveal a secret society with nefarious intentions. Little do they know that the mystery they unravel, and the accusations they make, could very well define their own futures.
