

RENO VS. RELOCATE Host Bios

Vanessa Roman

Vanessa Roman is a real estate agent, property investor, newspaper columnist and current co-host of RENO VS. RELOCATE. Originally from Halifax, Nova Scotia, Roman began her entrepreneurial spirit with a lemonade stand and a paper route. Eventually earning degrees in both Economics and Journalism, in 2003 Roman's long-held interest in real-estate led her to begin buying, renovating and reselling investment properties. Three years later, she earned her real estate license, continuing to grow her already-burgeoning business.

Now the co-host of RENO VS. RELOCATE, Roman divides her time between Halifax and Toronto. She is a relocation consultant for the military and the Royal Canadian Mounted Police. Vanessa also writes a weekly real estate column and is happily married with three children.
