Premieres: Saturday, May 31 at 9:30 a.m. ET/ 6:30 a.m. PT

Season Description:

Littlest Pet Shop follows Blythe Baxter and her father who live in a Big City apartment above the Littlest Pet Shop — an amazing day camp for pets of all kinds, including a doggie diva, dancing gecko and sweet, adorable panda. The series begins when Blythe discovers that she can miraculously understand and talk to the pets, which leads to fantastical adventures featuring uproarious song-and-dance parodies and sequences to original music. In its third season, Blythe and a few friends who know her secret, utilize her superpower to advance Blythe’s love of fashion, and of course, lend a helping hand — or paw — to other humans and pets.
