**** Media Alert ****

ANIMAL PLANET'S TREEHOUSE MASTERS AND REDWOOD KINGS RETURN WITH MORE ARBOREAL CREATIONS ON FRIDAY, JULY 10

June 16, 2015 - Animal Planet continues to build on Friday nights with new episodes of **TREEHOUSE MASTERS** and the return of **REDWOOD KINGS** beginning **Friday, July 10**.

At 9:00 p.m. ET/PT, twin brothers and business partners Ron and John Daniels are back with their master craftsmanship creating one-of-a-kind works of art from reclaimed wood. In the ten-episode season of **REDWOOD KINGS**, former Playmate Holly Madison calls on the brothers when her husband's chicks need a new home and the guys construct their most ambitious build yet with a Leonardo Da Vinci-themed workshop for world's largest amusement park trade show.

Following the **REDWOOD KINGS** season premiere at 10:00 p.m. PT/ET, Pete Nelson and his **TREEHOUSE MASTERS** crew are back with ten episodes fulfilling sky-high dreams for people across the country...and close to home when he surprises his daughter Emily with a treetop retreat. Plus, Pete surprises some very deserving children with a magical escape and gives a group of teens an invaluable skill by teaching them how to build and create their own peaceful nooks in nature.

About Animal Planet:

Animal Planet, a multi-media business unit of Discovery Communications, is the world's only entertainment brand that immerses viewers in the full range of life in the animal kingdom with rich, deep content via multiple platforms and offers animal lovers and pet owners access to a centralized online, television and mobile community for immersive, engaging, high-quality entertainment, information and enrichment. Animal Planet

consists of the Animal Planet television network, available in more than 94 million homes in the US; online assets www.animalplanet.com, the ultimate online destination for all things animal; Animal Planet L!VE, the go-to digital destination for round-the-clock, unfiltered access to the animal kingdom; and other media platforms including a robust Video-on-Demand (VOD) service, and merchandising extensions.
