“1969 Opel GT”

Premieres Wednesday, April 4

Velocity Premiere Wednesday, April 11 at 9 PM ET/PT

Mike and Ant dive into the European sports car market, taking on a 1969 Opel GT with fresh body damage, a backfiring engine, shoddy brakes and malfunctioning headlights.

“1988 Jeep Grand Wagoneer”

Premieres Wednesday, April 11

Velocity Premiere Wednesday, April 18 at 9 PM ET/PT

Mike and Ant hunt the scorching market for iconic American SUVs with a 1988 Jeep Grand Wagoneer. The car has good bones, but it also has a sagging suspension, four-wheel drive that won't engage and is in desperate need of a makeover.

“2004 Mini Cooper S MC40”

Premieres Wednesday, April 18

Velocity Premiere Wednesday, April 25 at 9 PM ET/PT

Mike tracks down one of only 1,000 MC40s ever produced, the 40th anniversary homage to the Monte Carlo rally-winning British icon. Ant tackles the dreaded 100,000-mile service while restoring its original ride height and signature look.

“1987 Alfa Romeo Spider Quadrifoglio”

Premieres Wednesday, April 25

Velocity Premiere Wednesday, May 2 at 9 PM ET/PT

Mike and Ant take on the perfect sports car for a rainy day: a 1987 Alfa Romeo Spider Quadrifoglio sporting a rare hardtop. Ant rebuilds the prop shaft and rear differential, replaces the A/C compressor and fixes a bent runner in the window mechanism.

“1970 International Harvester Scout 800A”

Premieres Wednesday, May 2

Velocity Premiere Wednesday, May 9 at 9 PM ET/PT

Mike hunts down an early SUV poised to explode in the vintage 4x4 market, a 1970 International Harvester Scout 800A. Ant restores it to glory by rebuilding a leaky transfer case, fixing the steering, replacing out of date wipers and the interior.

“1977 Porsche 924”

Premieres Wednesday, May 9

Velocity Premiere Wednesday, May 16 at 9 PM ET/PT

Mike takes another swing at a Porsche 924, the first car he ever turned around on the series. Will fixing oil leaks, rough idle, poor gear change and worn interior return enough of this Porsche's prestige to earn a profit?

"1972 Datsun 510"

Premieres Wednesday, May 16

Velocity Premiere Wednesday, May 23 at 9 PM ET/PT

Mike and Ant drag a rare 1972 Datsun 510 2-door into the 21st century. The engine is in good order and the car itself could be quite valuable, but the paint job is awful, the gearbox is unresponsive and the bodywork leaves a lot to be desired.

"1972 Lancia Fulvia"

Premieres Wednesday, May 23

Velocity Premiere Wednesday, May 30 at 9 PM ET/PT

Mike tracks down a rare rally bred Italian import, a 1972 Lancia Fulvia. To bring the coupe back to its former glory, he and Ant will need to correct bad CV joints, a broken heater, cracked dash and a debris-clogged fuel system.

"Petrolhead Takeover"

Premieres Wednesday, May 30

Velocity Premiere Wednesday, June 6 at 9 PM ET/PT

The fans take the wheel as Mike and Ant spend the day answering questions from across the globe. In the process, they pull the curtain back on the inner workings of Wheeler Dealers and take look back at the last eight cars.
