TOP GEAR is the world’s biggest motoring entertainment show, for almost two decades, with an estimated audience of 350 million people. Since 2002, across more than 25 seasons, the series has thrilled viewers globally with its unique blend of entertainment, humor and car knowledge. **TOP GEAR** is a fast-paced and stunt-filled automotive show that tests whether cars, both mundane and extraordinary, live up to their manufacturers’ claims. The long running series travels to locations around the world, performing extreme and often utterly pointless stunts and challenges to see what the featured cars can do. Celebrities including Tom Cruise, Cameron Diaz and Will Smith have all appeared on the show, as a regular segment, where they set a lap time on the famous **TOP GEAR** track in an ordinary, everyday car. Jeremy Clarkson, Richard Hammond and James May hosted **TOP GEAR** for more than a decade before giving way to a new crew in 2016, including actor Matt LeBlanc and automotive journalists Chris Harris and Rory Reid.
