BREAKING AMISH: EXTENDED EPISODES

Breaking Amish returns with extended episodes. Five Amish and one Mennonite came to New York to find themselves. They found adventure, romance, drama, and a taste of the world both bitter and sweet. These extended episodes include never-before-seen-footage and more of the supremely human moments that have made Breaking Amish a hit.

FOUR WEDDINGS: MOTHER OF THE BRIDE

In this special, mothers of the brides hold the opinions and the scorecards. They'll be judging each other's daughter's weddings on everything from the dress to the overall experience. Gisella knows an expansive food spread will impress guests at her daughter's festive reception, while youthful mom Karma believes a party atmosphere is a must and plans to have guests dancing all night long. Laidback mother Beth thinks guests will be wowed by her daughter's aquarium nuptials, and Judy is convinced that her daughter's elegant castle wedding will rank high with the judges. At stake for these proud moms is not only bragging rights, but also a chance to win their daughter a luxury honeymoon to a surprise destination.

BADA BLING BRIDES

Italian brides want three things: drama, attention and over-the-top couture wedding gowns. The D'Agostino family bridal shop, Sposa Italia, knows how to deliver the goods to every Italian princess that walks through their doors. But what happens when this family's one and only daughter is getting married? Forget about it. Will the First Family of Italian wedding gowns survive the impending marriage mayhem? Cannoli will fly.
