THE 93 VICTIMS OF SAMUEL LITTLE

Four-Hour Special Begins with Part I on Monday, August 31 at 9/8c, and Part II on Tuesday, September 1 at 9/8c

Samuel Little may not be the first name that comes to mind when thinking of serial killers, but he is one of the most prolific and elusive of all time. THE BUTCHER BAKER: MIND OF A MONSTER

Two-Hour Special Premieres Wednesday, September 2 at 9/8c

On first appearances, Robert Hansen seemed to have it all. As a mild-mannered family man, he ran a successful bakery and held world-record hunting trophies that brought him respect among his peers. But behind this carefully cultivated exterior lurked a cold-blooded serial killer. Big game animals no longer satisfied his urge to kill; he needed a different sort of prey. Hansen sought out women in Anchorage's red-light district and flew them out to the Alaska wilderness where he hunted them down for sport. Many women who had encountered Hansen warned authorities of his dark side, but their pleas for action were ignored. Hansen was eventually arrested and confessed to the murders of 17 women. Tapes of this confession have been lost for 35 years, but now, together with the testimony of his friends, victims, and the officers involved, THE BUTCHER BAKER: MIND OF A MONSTER finally pieces together the truth about Robert Hansen.

THE SERIAL KILLER AMONG US: PHILLIP JABLONSKI

Two-Hour Special Premieres Thursday, September 3 at 9/8c

After a recently released convicted killer, Phillip Jablonski, is linked to all three women, police have their prime suspect. Digging into Jablonski's background, they learn the horrifying truth about his bloodlust and fear he's about to strike again. With no way of locating him, they embark on a nationwide search hoping to bring him in before he claims another victim. When Jablonski is finally apprehended, investigators discover something far more disturbing than anything they've ever encountered before: a hunter with a kill list in hand, and a macabre audio diary as he claims his victims.
