**TWO’S COMPANY, BUT THREE’S A CROWD WHEN ONE’S A KILLER**  
**ON INVESTIGATION DISCOVERY’S NEW SERIES *DEADLY AFFAIRS***

*--Hosted by Emmy Award-Winning Actress and Queen of Daytime Soap Susan Lucci --*

(Beverly Hills, CA) – From love triangles that implode to office romances exposed, stories of passionate love affairs turned crimes of passion aren’t just happening on daytime television. They happen in real life and, sometimes, are even stranger than fiction. No stranger to steamy scandals and deadly dalliances, Emmy Award-winning actress and queen of daytime soap Susan Lucci hosts **DEADLY AFFAIRS, premiering Saturday, September 8 at 10 PM E/T on Investigation Discovery.** Ahead of the premiere, fans that miss seeing the much-adored Lucci in her former “All My Children” timeslot can catch her in a 10-minute first look at **DEADLY AFFAIRS**, during ID’s recently announced daytime block, **DAYS OF OUR KNIVES**, on Monday, September 3 at 1 PM E/P. The new block of themed programming will air weekdays from 1-4 PM with introductions by beloved soap stars of past and present.

“Investigation Discovery’s explosive ratings growth reflects the fact that it has found the perfect recipe for expert storytelling and packaging of these real-life soap operas that leave our fans wanting more,” said Henry Schleiff, president and general manager of Investigation Discovery. “The addition, today, of the incomparable Susan Lucci, who will now lend a voice to these tales of twisted love triangles, further underscores our efforts to make ID the leading destination for compelling stories of crimes of passion.”

**DEADLY AFFAIRS** tells real-life tales of love gone terribly wrong – from wandering eyes at the workplace leading to adulterous romps in the supply closet to bible-study couples tempted by lust to commit the ultimate sin – proving affairs can be murder on the heart. Episodes contain two stories, each interlaced with expert commentary from local authorities and true-crime experts, as well as first-person accounts from friends and family of the victims.
