LAUNCH SERIES FOR AMERICAN HEROES CHANNEL (AHC)**

*-- Narrated by Rob Lowe, **AGAINST THE ODDS** Introduces American Heroes Channel on March 3 --*

(Pasadena, CA)—During game-changing moments of battle, one wrong move could ultimately cost the war, but lack of teamwork could mean dozens of lives lost in an instant. When faced with insurmountable opposition, the brave U.S. troops featured in American Heroes Channel's (AHC) launch series **AGAINST THE ODDS**, didn't retreat in weakness but banded together in strength and trust to meet their moment with destiny. Narrated by actor Rob Lowe, **AGAINST THE ODDS** introduces real-life bands of brothers who exhibited unparalleled bravery, solidarity and endurance on the battlefield to come out on top in a fight against impossible odds. Reliving battles from WWII, Korea, Vietnam, and Iraq, these are true stories of the harsh realities of war, as told by the veterans who survived to tell. With brotherhoods so strong they turned perceived defeat into tremendous victory, **American Heroes Channel is proud to announce the six-part series *AGAINST THE ODDS* as its launch series, premiering Monday, March 3 at 10/9c.**

"As we broaden the scope of Military Channel and propel it to its next chapter, there is no stronger series that embodies the intersection between American history and military, as there are no greater heroes than those who have served our country," said Kevin Bennett, General Manager, American Heroes Channel. "These are the men and women who personify American Heroes Channel, and we are honored to have **AGAINST THE ODDS** introduce our new name to our viewers."

Each episode of **AGAINST THE ODDS** uses archival war footage and first-hand interviews to recreate pivotal moments played out from the under-the-helmet perspective of those battling on the frontlines. Hear directly from the men who stared death in the face and with the cards stacked against them, miraculously turned the tables on their enemy. Bonded by their heroic commitment to serve and protect, no matter the rival or risk at hand, these are the stories of the quintessential American heroes who watched their brothers and sisters fight, bleed and die to help protect our freedom.

The premiere episode of **AGAINST THE ODDS** on March 3 at 10/9c will feature the Battle of Hue City, the site of one of the Vietnam War's fiercest battles. Three understrength U.S. Marine battalions attacked and soundly defeated entrenched enemy troops, liberating Hue for South Vietnam. This episode tells the stories of the young men of Alpha, Fox, Golf and Hotel Companies who fought and recaptured Hue City.

Additional battles profiled in the six-part series include WWII's battles of Okinawa, the Bulge, and Tarawa; the Battle of Chosin Reservoir from the Korean War; and the Battle of Ramadi from the Iraq War.

**AGAINST THE ODDS** is produced for American Heroes Channel by 43 Films with Tracey Connor and Sammy Jackson as executive producers. For American Heroes Channel, Max Culhane is executive producer; Sara Kozak is senior vice president of production; Kevin Bennett is General Manager; and Henry Schleiff is Group President.
