**ALL-NEW SEASON OF TANKED RETURNS TO ANIMAL PLANET ON  
FRIDAY, MARCH 30 9PM/ET**

Wayde King and Brett Raymer of Animal Planet's **TANKED** are two of Sin City's most imaginative businessmen and owners of Acrylic Tank Manufacturing (ATM), one of the country's most successful builders of elaborate aquariums. For years, the guys have been building awe-inspiring tanks and aquariums for celebrities and athletes, luxury hotels and casinos, Fortune 500 businesses and private homeowners. **TANKED** returns for a new season Friday, March 30 at 9 PM ET/PT.

This season Wayde and Brett take on tanks for singer Keyshia Cole, comedian and television personality Howie Mandel as well as two-time light middleweight world champion, Fernando Vargas. The guys also jump at the chance to work at the iconic Mel's Diner, Brett's donut shop, Donut Mania, and the Mob Museum in Vegas!

A new addition to the **TANKED** family is, *TANKED JR.* A short-series in which 15-year-old, Abby Fedorowicz and her friends take you through a step by step process of how to build *fantastic* fish tanks! Each short is five minutes long and will air during the **TANKED** premieres and also be available on Animal Planet GO. They will feature unique themes such as a Safari Tank, a Carnival Tank and a Robot Tank. The results are fishy-fun tanks that will inspire viewers to design fish tanks of their own!

**TANKED** is produced for Animal Planet by Glass Entertainment Group where Nancy Glass, Eric Neuhaus and Matt Carter are executive producers. For Animal Planet, Pat Dempsey is producer.
