

## JONATHAN AND DREW SCOTT TO CREATE LIFETIME HOMES FOR FAMILIES IN NEW HGTV SERIES 'PROPERTY BROTHERS: FOREVER HOME'

**New York [Feb. 19, 2019]** HGTV stars Jonathan and Drew Scott have helped scores of clients buy and renovate properties in the Emmy®-nominated series *Property Brothers*, and now they are on a mission to turn families' ordinary houses into their lifelong dream homes in the new series [Property Brothers: Forever Home](#). In the latest title in the power twins' HGTV arsenal, couples who are settled in their home but need the brothers' expertise to make it perfect will qualify for a complete makeover. These new clients aren't looking to flip their property for profit, because they know this place is "the one" where they can put down roots and happily spend their lives. To unlock a home's full potential, Jonathan and Drew will focus on overhauling the house to suit the families' needs and wishes. The series will premiere Wednesday, May 29, at 9 p.m. ET/PT.

"When a family buys a house, they know when it's the right one—the fixer upper where they can spend all their time and grow old together," said Drew. "But, before they know it, years go by and the house hasn't changed."

"Renovations cost more than they imagine, so their 'diamond in the rough' stays rough for years," added Jonathan. "That's why we're here—to help families unlock the dreams in their uninspiring houses."

In each episode, Drew will take the couple on a tour of nearby renovated homes to learn about the features they love and which ones they can live without. With this information and the homeowner's budget in mind, Jonathan will bring the family's design dreams to life using state-of-the-art 3D graphics. He will present the homeowners with two animated options that showcase different ways their house can be reimaged. The stakes are high for everyone—for the couples, who must decide how their ideal home should look, and for Jonathan and Drew, who must deliver renovations that surpass the clients' expectations.

"We *will* turn these families' dreams into a reality," said Drew.

"And give them a place they'll never want to leave," chimed Jonathan.

*Property Brothers: Forever Home* is produced by Scott Brothers Entertainment, with Jonathan and Drew as executive producers.
