GUY FIERI DELIVERS *DINERS, DRIVE-INS AND DIVES: TAKEOUT FROM HOME WITH THE SPECIAL QUARANTINE EPISODES BEGINNING ON FRIDAY, APRIL 24TH AT 9PM*

Plus, Catch A Special Marathon of DDD: A To Z on Saturday April 18th at 1pm as Guy Goes On A Delicious Triple D Adventure through the Alphabet

NEW YORK – April 15, 2020 – With restaurants closed and social distancing in place, **Guy Fieri** can't hit the road to visit some of his favorite joints on *Diners, Drive-Ins and Dives*. So now, Guy is having some familiar faces of Flavortown come to his home kitchen on three special episodes of *Diners, Drive-Ins and Dives: Takeout*, beginning on Friday, April 24th at 9pm ET/PT. In each episode, Guy checks in with four past *Triple D* chefs from across the country via video-chat, to see how they are holding up, and how they have transformed their businesses to keep serving customers. Each chef has sent the full list of ingredients of their featured recipes straight to Guy's house and will guide him through each step to make the dish, just like when he is on the road and there in-person. But now, Guy will be virtually cooking along to prepare, plate, and taste each dynamite dish. It's an epic food adventure not to be missed!

"We are continuing to cook up creative programming ideas that entertain our viewers during these unprecedented times," said Courtney White, President, Food Network. "*Diner, Drive-Ins and Dives* is a fan-favorite, and we are thrilled to be able to still deliver it to our audience in unique ways from special *DDD: A to Z* marathons to new *DDD: Takeout* episodes self-shot by Guy at home."

"*Triple D* has always been about hittin' the road and celebrating the hard workin' folks of the restaurant business. And while the restaurants are partially closed and the Camaro is parked, *DDD: Takeout* is here to show you how your favorite chefs are still cookin' it up to keep people fed, support their communities, their families, and their employees," said Guy Fieri.

Throughout the episodes, some of the most memorable *Triple D* alum will teach Guy new recipes that bring international cuisines into viewers' own homes. From chicken tamales, to paella fritters, and to European-style dumplings, takeout has never tasted this good. Plus, BBQ burnt ends, chicken parmesan, and bangin' shrimp, these meals will leave fans craving more!

Don't miss the special *DDD: A to Z* marathon this Saturday, April 18th at 1pm as Guy goes on a mouthwatering journey through the alphabet. From awesome Asian, to hangin' Hawaii style, to shut-the-front-door sandwiches, and to wings 'n things, every letter is full of funky flavor and fun.

Fans can head to [FoodNetwork.com/DDD](https://www.foodnetwork.com/DDD) for more on the special episodes, and check out Food Network Kitchen app for cooking classes all about diner foods. Use #WeCook and #DDDTakeout to share the diner dishes you make at home during quarantine.
