

HGTV PICKS UP 16 NEW EPISODES OF HIT SERIES 'FIXER TO FABULOUS' STARRING DAVE AND JENNY MARRS

'Fixer to Fabulous: Welcome Inn' Spin-Off Series Set to Launch on discovery+ in 2022

New York [July 26, 2021] HGTV picked up 16 episodes of [Fixer to Fabulous](#), a breakout series starring renovation and design experts [Dave](#) and [Jenny Marrs](#) who overhaul historic homes in Northwest Arkansas, for a third season. The series, which attracted more than 35 million viewers in season two, spotlights the husband-wife as they renovate homes while raising five young children and managing their family farm. Jenny, the creative influence behind their personalized renovations, specializes in designing spaces that are warm and welcoming for families, while Dave, who has a passion for reviving old homes, tackles construction with unmatched skill and confidence. The new season of **Fixer to Fabulous** is slated to premiere in fall 2021.

Fans of Dave and Jenny also can look forward to the [discovery+](#) spin-off series, **Fixer to Fabulous: Welcome Inn**. Available to stream exclusively on the platform in early 2022, the four-episode series will follow the Marrs as they take on a massive new business venture: transforming an 1880s historic home into a functioning vacation rental. Up against a complete gut job, unprecedented construction challenges and high financial stakes, Jenny and Dave will call upon fellow renovation experts to help make their dream a reality.

"It's been great to see Dave and Jenny's trajectory on HGTV in just two short seasons," said Jane Latman, president, HGTV. "Their authenticity, love of family, service to others and passion for home renovations are just a few ways that they connect with our audience."

"HGTV has a tremendous track record building fandom for its talent and this *Fixer to Fabulous* spin-off series is right in line with our [discovery+](#) streaming strategy of giving fans even more access to what they love," added Lisa Holme, group senior vice president, Content and Commercial Strategy, Discovery, Inc.
