After attracting 32 million viewers to its sophomore run, *Unsellable Houses*, starring sisters and top-selling real estate agents [*Lyndsay Lamb*](#) and [*Leslie Davis*](#), will be back for 13 one-hour episodes. Set in the Pacific Northwest, the upcoming third season will showcase the pair as they help struggling homeowners sell their seemingly unsellable homes in record time. *Unsellable Houses* is produced by High Noon Entertainment.

Inside Out, which drew 16.1 million viewers to its first season, was picked up for eight fresh one-hour episodes. Southern California home renovators [*Carmine Sabatella*](#), a real estate agent and interior designer, and [*Mike Pyle*](#), a landscape designer, will continue to vie for the biggest chunk of the reno budget to give their clients beautifully updated interiors and exteriors. *Inside Out* is produced by House8 Media.
