WHAT: [*Flip or Flop: The Final Flip*](#)

WHERE/WHEN: *Flip or Flop: The Final Flip* premieres Thursday, Dec. 1, at 8 p.m. ET/PT on HGTV. The one-hour special also will be available to stream the same day on [discovery+](#).

WHO: For nearly a decade, real estate experts [Tarek El Moussa](#) and [Christina Hall](#) have captivated fans on social media and television, with their HGTV mega-hit series [*Flip or Flop*](#) attracting more than 90 million viewers during its run from 2013 to 2022. Now, in the hour-long special [*Flip or Flop: The Final Flip*](#), Tarek and Christina will take on one last project, a large duplex in Sunset Beach that proves to be one of their most expensive and challenging flips ever. Simultaneously, they'll take a fun look back at the important house flipping lessons learned, the craziest issues encountered and the stunning Southern California renovations completed together over 10 uber successful seasons of *Flip or Flop*.

For their final flip, Tarek and Christina will go big when they purchase a costly property near the beach with plans to convert it from a duplex to a single-family home. The pair will contend with layout issues, permit delays, mounting costs and the uncertainties of working with a new contractor to create a gorgeous property with a coastal contemporary design and views of the water.

Fans can binge watch all 10 seasons of *Flip or Flop*—as well as Tarek and Christina's solo series [*Flipping 101 with Tarek El Moussa*](#) and [*Christina on the Coast*](#), which will return for new seasons in 2023—on [discovery+](#). Also in 2023, Tarek and Christina will star in two new series for the network, [*The Flipping El Moussas*](#) and [*Christina in the Country*](#).

Flip or Flop: The Final Flip is produced by Pie Town Productions.
