New York [Feb. 24, 2023] HGTV's three-episode order for *Windy City Rehab: Alison's Dream Home* (wt) will spotlight the largest *and* most personal project ever for popular designer and home renovation expert [Alison Victoria](#). Millions of fans have watched Alison's latest life chapters unfold in her hit show [Windy City Rehab](#), and, in this new series, she'll transform her current Chicago office—a 6,700-square foot warehouse built in 1927—into her very own dream home. "Alison inspires legions of fans with her endless creativity and smart renovations in *Windy City Rehab*, so for her to take us behind-the-scenes on her own home adventure is a huge win for the network," said Loren Ruch, Head of Content, HGTV. "We have no doubt that she will draw millions of viewers to watch her take on her most personal renovation ever."
