WHERE/WHEN: *100 Day Dream Home: Beachfront Hotel* premieres Friday, May 12, at 9 p.m. ET/PT on HGTV followed by the premiere of *100 Day Dream Home* on Friday, May 26, at 9 p.m. ET/PT.

WHO: Husband-wife team [Brian](#) and [Mika Kleinschmidt](#) will return to HGTV in a two-episode special, *100 Day Dream Home: Beachfront Hotel*, ahead of the new 11-episode season premiere of [100 Day Dream Home](#). During the last season of *100 Day Dream Home*, more than 18.1 million viewers watched the couple take only 100 days to build custom, move-in ready homes in the Tampa, Florida, area. Now, during the *Beachfront Hotel* special, Brian and Mika will turn their construction and design expertise toward the full overhaul of a dated 12-room property on the beautiful Florida Gulf Coast. Faced with a tight three-month timeline, they will overcome structural issues and budget challenges to demo and redesign both the interior and exterior—including the guest rooms, lobby and outdoor patio—and create a dreamy waterfront oasis.

In the fresh episodes of *100 Day Dream Home*, Brian and Mika will take their clients on inspiration tours of various properties to select their desired finishes and then design and construct completely personalized homes on a quick turnaround. This season, they'll build Craftsman, modern farmhouse and coastal style homes and surprise the owners with special projects perfect for the Florida outdoors such as a backyard kitchen, waterfall feature and tree house.

100 Day Dream Home is produced by NorthSouth Productions.
