WHERE/WHEN: Premieres Tuesday, Aug. 15, at 9 p.m. ET/PT on HGTV

WHO: Indianapolis-based mother/daughter home renovation and design team, [Mina Starsiak Hawk](#) and [Karen E Laine](#), will return in a new season of their hit HGTV series [Good Bones](#). During the ten hour-long episodes, Mina, a real estate agent, and Karen, a lawyer, will continue to buy dilapidated Indianapolis properties, take them down to the studs and renovate them into beautifully renovated family homes for sale. This season, Mina will help both of her younger siblings, sister Kelsy and brother Tad reimagine their new homes, while the rest of the *Good Bones* crew take on a slew of new renovation projects.

The season opener will follow Mina, Karen and the team as they revamp a junk-filled duplex, complete with an attic space and a basement located in the Bates-Hendricks neighborhood. To turn a profit, Mina will transform the attic into a rental income unit for the new homeowners by adding bedrooms, a kitchen and living room, all with a modern touch.

Good Bones is produced by High Noon Entertainment.
