**WHERE/WHEN:** *Married to Real Estate* premieres Thursday, Dec. 28, at 9 p.m. ET/PT on HGTV and available to stream the same day and time on [Max](#)<sup>®</sup>.

**WHO:** Power couple [Egypt Sherrod](#) and [Mike Jackson](#) will help more Atlanta families buy houses with potential and transform them into breathtaking dream homes in a new 12-episode season of HGTV's hit series [Married to Real Estate](#). Attracting more than 15.6 million viewers to their previous run, Egypt, a real estate broker and designer, and her husband Mike, an expert builder, will continue to inspire fans and keep it fun while they run successful property businesses, manage a home and raise three daughters. Egypt, who previously starred in HGTV's *Property Virgins* and *Flipping Virgins*, will apply her extensive real estate and financial knowledge to find clients affordable options in their ideal neighborhoods that can be reimaged with her custom design plans. Mike and his team will then maximize the budget and troubleshoot any construction issue to deliver stunning renovations that increase the homes' value and return on investment.

In the premiere episode, Egypt and Mike will scout houses in Roswell for a couple who have an office, playroom and yoga studio space at the top of their list. The dynamic duo will infuse the clients' newly renovated home with a natural, minimalist style in every room, including a kitchen that features sleek flat-panel cabinets and fluted wood accents on the large island. Also this season, Egypt and Mike will share memorable family experiences as their pre-teen Kendall takes up the viola while younger daughter Harper learns to ride a bike, and they'll renovate a new office for their booming businesses.

**DIGITAL/SOCIAL:** Fans can stream the first two seasons of *Married to Real Estate* now on [Max](#)<sup>®</sup>. And, HGTV's digital platforms will offer up even more exclusive content from the new season at [HGTV.com](#) and by following @HGTV and [#MarriedtoRealEstate](#) on [Facebook](#), [X](#) (formerly known as [Twitter](#)), [Instagram](#), [TikTok](#) and [Threads](#).
