**ROSIE CEPERO DELIVERS MESSAGES FROM THE AFTERLIFE**  
**IN NEW TLC SERIES *ANGELS AMONG US***

(Los Angeles, Ca.) – Rosie Cepero turns skeptics into believers in new TLC series **ANGELS AMONG US**. A wife and mother from Upstate New York, Rosie possesses a special gift that allows her to see, hear and converse with guardian angels. Premiering **Sunday, September 7 at 10 PM ET/PT** after **LONG ISLAND MEDIUM**, this 12-part series follows Rosie as she connects with angels and conveys critical--and often life-changing--messages to the people they protect on earth.

Since age three, Rosie has served as a vessel for celestial communications. Rosie considers her gift a blessing, and believes that she has the responsibility to deliver angels' messages, no matter the circumstance. Sometimes the angels' messages are for her, but more often the angels are the guardians of others seeking a link to their loved ones. **ANGELS AMONG US** gives a special glimpse into this spiritual world, showcasing the stories of people from across the country who flock to Rosie's farm seeking answers to unexplainable events in their lives. Some simply feel a constant presence around them; others have miraculous stories of how they were protected during times of imminent death. Every personal story is unique--but the one constant is the clear voice of an angel who relies on Rosie and her promise to communicate their message.

In each 30-minute episode, viewers witness Rosie as she links to guardian angels--often when she least expects it. While many of her connections come during scheduled meetings with a person or group of people seeking answers, an angel is just as likely to catch Rosie off guard as she goes about her personal life. This happenstance prompts Rosie to seek out unsuspecting strangers in public, almost on a daily basis.

Rosie's angels regularly speak to her about her family. Her husband of 32 years, George, and their three sons, Frankie, Georgie and Joey, have all received messages from their guardian angels through her, and have witnessed her amazing gift countless times throughout their lives.

**ANGELS AMONG US** is produced by Tremendous! Entertainment for TLC.
