**THE DANDY WARHOLS REVAMP THEME SONG FOR EMMY®-NOMINATED
DISCOVERY CHANNEL SERIES MYTHBUSTERS**

-- New song to premiere with new fall episodes starting Wednesday, September 28 --

Hit Discovery Channel series **MYTHBUSTERS** and legendary musical act The Dandy Warhols have partnered on an all-new theme song, which will launch with the series' new fall season on Wednesday, September 28 at 9PM ET/PT. Hosted by Jamie Hyneman and Adam Savage, and Tory Belleci, Kari Byron and Grant Imahara, the Emmy® nominated series uses scientific experimentation to prove or disprove popular myths, misconceptions or legends. This marks the first update of the **MYTHBUSTERS** title theme since the series launched on Discovery Channel in 2003.

The Dandy Warhols took a break from recording their seventh full length album (due out in early 2012) to revamp the **MYTHBUSTERS** opening music. [Listen to the new Dandy Warhols open here: <http://dsc.discovery.com/videos/mythbusters-dandy-new-theme-song.html>]

Said the band's Zia McCabe, "**MYTHBUSTERS** is one of my favorite shows and it's always a pleasure to see the cast in our audience at the San Francisco shows. It just seemed like a great fit that we would rework their theme song." Continued Courtney Taylor-Taylor, "Well, it's hard not to wake up with a little bit of a puffed up or self-satisfied air. Or maybe feel just a little bit superior, a little bit stuck up about it. But one day it's gonna be someone else doing the new **MYTHBUSTERS** theme and ya know, that's okay too."

Said **MYTHBUSTERS'** Tory Belleci, "We're good friends with -- and big fans of -- The Dandy Warhols and they're also fans of our show, so we asked them to cover our theme music. They made it way cooler."
