**INVESTIGATION DISCOVERY'S NEW SERIES *SCORNED: LOVE KILLS***

(Silver Spring, MD) – Investigation Discovery's new series **SCORNED: LOVE KILLS** uncovers crimes of passion sparked by a spurned lover's snap from provocative paramour to predacious threat. One night in 2001, David even propositioned a colleague named Jeff to seduce Joan. Little did David know that his wife was developing feelings for Jeff that ran deeper than the bonds of holy matrimony. She was in love, thereby breaking the cardinal rule of their swinging lifestyle. Killing David seemed like the only way she could ever be with Jeff in a real relationship, so Joan pressured her 15-year-old daughter to murder her stepfather. It wasn't long before investigators discovered a tangled tale of sex clubs, manipulation, and lies. *Location: Fayetteville, NC*
