EVIL WITH POWER: ID'S NEW SERIES *UNTOUCHABLE: POWER CORRUPTS* DELVES INTO THE DARK UNDERBELLY OF AUTHORITY

(Silver Spring, Md.) – A powerful résumé and a charming smile can be the keys to success—but they can also be beguiling tools to mask a cold-blooded killer. Investigation Discovery's (ID) new series **UNTOUCHABLE: POWER CORRUPTS** offers an inside look into how a taste for power can turn into a thirst for blood, featuring the perplexing journeys of seemingly good citizens to corruption. Premiering **Thursday, July 9 at 9/8c**, this six episode series uses chronological reenactments and expert commentary to tell the stories of people whose ambition, authority and sense of entitlement drove them to abuse their power—and ultimately do the unthinkable.

Each hour-long episode of **UNTOUCHABLE: POWER CORRUPTS** gives viewers a front-row seat to the cat-and-mouse game pitting the police against the perpetrators who believe they are above the law. The premiere episode airing **July 9 at 9/8c** features a collection of strange but seemingly unrelated events— a star gymnast recovering well from a car accident dies suddenly in her hospital bed in Columbus, OH; a tough war veteran battling a mild form of cancer takes a fatal turn for the worse in Northport, NY, and a Quincy, IL paramedic crew struck down by a series of mysterious illnesses. These tragic occurrences appear isolated and random, until nurses discover evidence that Dr. Michael Swango, a trusted and well-liked surgeon, is somehow involved in each. Dr. Swango leads investigators on a deadly game of 'catch me if you can'—but as law enforcement closes in, the doctor remains one step ahead.
