## **ACADEMY AWARD NOMINATED ACTOR TIM ROTH TO JOIN THE CAST OF DISCOVERY'S FIRST SCRIPTED MINI-SERIES 'KLONDIKE'**

(LOS ANGELES) – It was announced today that Academy Award nominated actor Tim Roth will be joining the cast of Discovery Channel's first-ever, scripted mini-series **KLONDIKE** (wt), playing the role of The Count. Roth was nominated for both the Academy Award and the Golden Globe for Best Supporting Actor in 1995 for "Rob Roy." Roth is well known for notable roles in such films as "Pulp Fiction," "Reservoir Dogs," "Four Rooms," "The Incredible Hulk," "Planet of the Apes," and "Dark Water," and he recently starred on the FOX series "Lie to Me." He will next be seen starring in the film "Broken," and opposite Nicole Kidman in "Grace of Monaco."

The mini-series, previously announced last year, is based on Charlotte Gray's book Gold Diggers: Striking It Rich in the Klondike, and brings to life the tale about six strangers and their collective fight for survival and wealth in a small, frontier town in the remote Klondike. **KLONDIKE** is a co-production between Discovery, Entertainment One (eOne), and Nomadic Pictures, in association with Scott Free Productions. International distribution is handled by eOne Television. Paul Scheuring ("Prison Break," "A Man Apart") is the primary writer and will serve as Executive Producer, along with Ridley Scott and David W. Zucker; as well as John Morayniss and Michael Rosenberg for eOne. Eileen O'Neill and Dolores Gavin will serve as Executive Producers for Discovery.

**KLONDIKE** follows the lives of two childhood best friends, Bill and Epstein, in the late 1890s as they undertake the next, gold rush capital in the untamed Yukon Territory. This man-versus-nature tale places our heroes in a land full of undiscovered wealth, but ravaged by harsh conditions, unpredictable

weather and desperate, dangerous characters including greedy businessmen, seductive courtesans and native tribes witnessing the destruction of their people and land by opportunistic entrepreneurs.

Production begins in March 2013 under the direction of Simon Cellan Jones ("Generation Kill," "Treme") on location in Alberta, Canada. The series will be produced with assistance of the Government of Alberta, Alberta Film Development Program.
