JUST ANNOUNCED:

**"SNEAK PEEK" OF NEW DISCOVERY CHANNEL SERIES *SWAMP BROTHERS*,
TUESDAY, 5/10 AT 10PM ET/PT**

This Tuesday, May 10 at 10PM ET/PT, Discovery Channel will feature a **SNEAK PEEK** of the new series **SWAMP BROTHERS**, immediately following a new episode of DEADLIEST CATCH. **SWAMP BROTHERS** will then move to premiere in its regular series time slot on Fridays at 10PM ET/PT beginning Friday, May 13.

In **SWAMP BROTHERS**, brothers Robbie and Stephen Keszey run one of the most unique family businesses in the country -- Glades Herp Farm -- where they work with wild and dangerous animals deep in the swamps of Florida. Robbie's a veteran of the '80s metal scene who's passionate about all things scaly, and Stephen's a former NYC bartender who's more comfortable hailing a cab than handling a snake. In each episode, the **SWAMP BROTHERS** put themselves on the line to protect the most unusual of creatures -- from pythons and gators to wildcats and bears.
